SOLICITATION BRIEFER FILE

Solicitation Number: B41-133

Solicitation Title: **HENSON CREEK GOLF COURSE BRIDGE REPLACEMENT**

Description: The Maryland-National Park and Planning Commission (M-NCPPC) is soliciting IFB for the replacement of the pedestrian bridge spanning the Henson Creek at the 9-hole golf course. The Henson Creek Golf Course Bridge Replacement (Project) is located at 1641 Tucker Road, Fort Washington, Maryland and will include a new golf cart pedestrian bridge, an asphalt path connection from the existing golf cart path to the new golf cart pedestrian bridge, limited stream restoration work immediately west of the new bridge location, and removal of the existing bridge after the new one has been completed and approved.

Access to Solicitation: www.mncppc.org/bids
