Also, for the purpose and clarity of this document, "Vendor" will mean any reliable and interested broker, vendor, supplier, contractor, and/or manufacturer that want to respond to this RFP.

2. GENERAL REQUIREMENTS

- a. AUTHORIZED DEALERS: Only authorized dealers may submit a proposal on requested equipment. At the discretion of The Board, a certificate, executed by the manufacturer, may be requested stating that the Vendor is an authorized agent of the manufacturer and is duly authorized to service and maintain the equipment.
- b. INSPECTIONS: The Board reserves the right to have inspectors on the premises of the manufacturer during the process of manufacture of any products being furnished under this RFP for as long as may be considered necessary by The Board. All expenses of the inspectors shall be borne by The Board. The presence of the inspectors at the site of manufacture of the products shall not relieve the Awarded Vendor of responsibility for faulty workmanship of materials that may be discovered at any time after delivery and prior to final acceptance in accordance with the specifications. In case of factory inspection of items being manufactured for The Board, every facility shall be afforded inspectors by the manufacturers for the pursuance of their work.
- c. TYPES OF PURCHASES: These specifications are intended to cover the various types of purchases of equipment, materials, supplies, or services as shown to any or to each of the various public and charter schools, offices, or to any designated warehouse or warehouses in Prince George's County.

Vendor must determine which to offer. If said Vendor should submit more than one price on any item, all prices for that item will be rejected.

- f. **MINIMUM REQUIREMENTS:** Whenever mention is made of any article, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's code, A.S.M.E. regulations, or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications. In case of any apparent conflict between the specifications and such laws, ordinances, etc., the Awarded Vendor shall call said conflict to the attention of the Board Director of Purchasing & Supply Services for a decision before proceeding with any work.
- g. **USE OF BRAND NAMES:** Brand names and model numbers are offered as a reference for Vendors as to the style, size, weight, and other characteristics of the item(s) in the specifications. The use of such brand names should not be interpreted to be the exclusive brand desired unless so stated. The determination of the acceptability and/or the criteria for acceptability of an alternate is solely the responsibility of the Board.
- h. **PRODUCT OFFERED BY THE VENDOR:** The product offered by the Vendor shall be new, not used, and the latest version of the product. Should a product be discontinued and/or upgraded during the course of the contract, the Vendor shall offer to The Board a new alternate product that meets and/or exceeds the established specifications, under the same terms, conditions, and prices as the originally offered item.
- i. **COMPLIANCE WITH SPECIFICATIONS:** The Vendor shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the drawings and specifications, as decided by the Director of Purchasing & Supply Services. Where the requirements of the specifications call for higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern. Where the requirements of the laws, ordinances, etc., are mandatory, they shall govern. The successful Vendor, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to The Board, which would provide sufficient data to enable The Board to judge the Vendor's compliance with the specifications.
- j. **DEVIATIONS TO SPECIFICATIONS:** Any deviation from the specifications must be noted in detail by the Vendor, in writing, as an attachment to the response. The absence of a written list of specification deviations attached to the response will hold the Vendor strictly accountable to The Board to the specification as written. Any deviation by the Awarded Vendor from the specifications, without prior documented approval, will be grounds for rejection of the goods and/or equipment when delivered.
