2. INTRODUCTION AND SCOPE OF WORK

2.1. Introduction

The City is seeking a qualified consultant to assist staff in a comprehensive analysis and update to the City's Zoning Ordinance, Chapter 24 of the City Code. Consultants are encouraged to collaborate with other consulting firms to work as a team as necessary.

- A. The consultant will be expected to coordinate with staff on a comprehensive review of the City's current Zoning Ordinance, identifying issues; developing and conducting a public engagement strategy; and drafting a revised Zoning Ordinance that reflects at a minimum:
 - i. Updates to terminology and definitions used throughout the code,
 - ii. Improvements to the overall organization, and ease of use,
 - iii. Incorporation of diagrams, tables, graphics and illustrations that clarify and enhance understanding of relevant code sections,
 - iv. Revisions to or possible new development of zoning districts that better reflect the City's goals, policies and visions.
- B. The final draft Zoning Ordinance will be presented by the chosen consultant and City staff, through the City's public hearing process, for adoption. The entire process, including possible work sessions and public engagement meetings, through adoption is anticipated to take 12-18 months to be completed.

2.2. Background

- A. Gaithersburg is among the largest cities in the State of Maryland, with a population in excess of 69,000, occupying more than 10 square miles within Montgomery County. The City provides many services including police protection, licensing and permitting, building inspections, recreation and cultural activities, street maintenance, recycling collection, stormwater management, housing and community development, and snow removal. The current zoning ordinance accompanies this solicitation as Exhibit A.
- B. The last comprehensive update to the Zoning Ordinance was in 1965. Over the past 57 years, the Ordinance has received a multitude of amendments. These "piecemeal" amendments have created the following issues:
 - The code can be difficult to navigate and is poorly organized;
 - Sections of the code, including the definitions, are outdated, reference items that are no longer relevant, and/or do not adequately address the changing nature of development trends or impacts on race equity. Sections may in fact act as a disincentive to investment and redevelopment and may inadvertently perpetuate inequality, segregation or displacement as land-use patterns shift in the future;
 - Some sections are not consistent with other sections of the code;
 - The code can be difficult to interpret and contain standards that are difficult to administer;
 - The zoning districts may be overly complex or lack the ability to fully address the City's policies, vision, goals, or master plan.
- C. While originally written to accommodate the City's rapid growth and expansion, reflecting the suburban, Euclidean-based development planning principles of the 1960s, recent development trends demonstrate that the City has transitioned to predominately infill redevelopment, reflecting a more urban, mixed-use pattern.

2.3. Scope of Work

The consultant will be responsible for the following tasks:

- A. Review, with assistance and input from staff, the City's Zoning Ordinance including but not limited to, identifying all issues, omissions, inconsistencies, conflicts, overlaps, redundancies, equity shortfalls, and outdated provisions and provide a written assessment of findings/opportunities for improvements.
- B. Assist in developing, coordinating and conducting a diverse public engagement strategy, including engaging historically underserved communities; designed to inform key stakeholders and the public at large; culminating in a report on the public engagement outcomes.

- C. Explore, including literature review of current zoning practices, innovative zoning approaches to advance the City’s goals including but not limited to the possible creation of new zoning districts.
- D. Participate in regular virtual or in-person meetings with City project team staff to discuss and develop the various project deliverables.
- E. Provide a draft Zoning Ordinance for review by staff that is clear and user-friendly for the general public, stakeholders, elected and appointed officials, and the development community; incorporates graphics, illustrations, charts, and tables; is legally sound; eliminates inconsistencies, conflicts, overlaps, redundancies, and outdated provisions; minimizes nonconformities; promotes and furthers the City’s commitment to racial equity; implements modern development standards and best practices; and improves and streamlines the City’s entitlement process to remain economically competitive.
- F. Complete and present for adoption a final draft Zoning Ordinance through a public hearing process conducted by the City Council and Planning Commission.
- G. Conduct with the City Council and Planning Commission up to four (4) joint work sessions; a joint public hearing; a recommendation meeting with the Planning Commission; and final adoption meeting by the City Council.

2.4. Deliverables

The consultant will be responsible for providing the following deliverables with milestones to be determined in consultation with staff:

- A. A Report identifying the issues, inconsistencies, conflicts, overlaps, redundancies, missing planning-based zoning topics, and outdated provisions of Chapter 24 of the City’s Zoning Ordinance to be addressed in a revised draft.
- B. A Report on the public engagement effort’s outcomes.
- C. Draft revised Zoning Ordinance for review by staff that reflects best practices, the project’s goals, and addresses the current Zoning Ordinance assessment report and outcomes from the public engagement effort.
- D. Final Zoning Ordinance for adoption by Mayor and City Council.

2.5. Key Personnel

The Offeror shall name a Project Manager for this project to oversee all deliverables and to be the point of contact for the City’s team.

2.6. Contract Period and Renewals

If doubt exists as to the meaning and/or intent in or of any of the Solicitation Documents, the Offeror shall make an inquiry as to such meaning and/or intent. The failure of the Offeror to examine and become familiar with any and all of the Solicitation Documents shall in no way relieve the Offeror of its obligations under the Contract, if awarded to the Offeror. The Offeror warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees, or bona fide established commercial or selling agencies maintained by the Offeror for the purpose of securing business. For violation of this provision, the City shall have the right, in its sole discretion: (i) to terminate or suspend the Contract without liability to the City, its officials or employees; or (ii) to deduct from the Contract price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

7.19. CHANGES IN GOODS AND/OR SERVICES

The City, without invalidating the Contract, may order changes in the goods and/or Services within the general scope of the Contract, consisting of additions, deletions and/or other revisions, and the Contract sum and term shall be adjusted accordingly. Any cost or credit to the City from a change in Services shall be determined by mutual written agreement between the City and the Contractor. The Contractor shall provide all of the goods and services that may be required to complete the Contract at the price agreed upon. Any alterations of variables to the terms of the Contract shall not be valid or binding upon the City unless made in writing and signed by the City and the Contractor.

7.20. CONTRACT DISPUTES

Any and all disputes arising under the Contract, except under the provisions for termination, which are not disposed of by agreement between the City and the Contractor, shall be decided under procedures A-D listed below. Pending final resolution of a dispute, the Contractor shall proceed diligently with Contract performance. A claim must be in writing for a sum certain and any money requested must be fully supported by all cost and pricing information.

- A. All disputes, claims, questions of fact or interpretations of the documents of the Contract not disposed of by agreement or express provision of the Contract arising between the City and the Contractor after performance of the Contract has commenced but before final payment and termination of the Contract, are decided by the City Manager.
- B. The City Manager must give the Contractor not less than three (3) working days to submit documentation and written reasons supporting the Contractor's position in the dispute. The City Manager may consider any other information or written submissions from City employees or agents and may conduct an informal, non-record hearing for receipt of testimony, evidence and/or argument. The City Attorney may participate in the hearings to protect the City's interest.
- C. The City Manager must render a decision, in writing, stating reasons for such decision and provide copies to the Contractor and the City Attorney. If the decision is mailed to the Contractor, it must be mailed "certified" and dated the date of mailing; otherwise, it must be dated the date of delivery to the Contractor.
- D. The City Manager's decision may be submitted to Binding Arbitration by either Party under the auspices of an arbitrator appointed by the American Arbitration Association.

7.21. DISSEMINATION OF DATA

The Contractor shall not release any information related to the Services under the Contract or publish any reports or documents related to the same without the prior written approval of the City. The Contractor shall include a similar provision in all subcontracts.

7.22. EMPLOYMENT AS INDEPENDENT CONTRACTOR

The City and the Contractor recognize and agree: (i) that the Contractor shall act as an independent Contractor to the City; (ii) that the Contract does not create any actual or apparent agency, partnership, franchise, or relationship of employer and employee between the parties; (iii) that neither party shall be entitled to participate in any of the other party's benefits, including without limitation, any health or retirement plans; (iv) that the Contractor shall not be entitled to any remuneration, benefits, or expenses other than as specifically provided for in the Contract; and (v) that the City shall not be liable for any insurance, taxes, or withholding for or on behalf of the Contractor; all such insurance, taxes or withholding, and costs for same, shall be the sole responsibility of the Contractor.

7.23. ETHICS LAWS AND REQUIREMENTS

The Contractor shall comply with the financial disclosure and conflict of interest and lobbying provisions of the City's ethics laws, which may be found on the City's website at: <http://www.gaithersburgmd.gov/government/city-code>.

7.24. FORCE MAJEURE

The City and the Contractor acknowledge and agree that either party hereto will be relieved of its obligations hereunder in the event and to the extent that the performance of its obligations under the Contract is delayed or prevented by any cause beyond its control, including, without limitation, acts of God, public enemies, war, insurrection, acts or orders of governmental authorities, fire, flood, explosion, or riots ("Force Majeure"). Failure to receive necessary materials and supplies will not excuse performance hereunder unless such failure is itself due to an event of Force Majeure. A party obtaining relief under this provision shall make every reasonable effort to minimize the effects thereof and will promptly resume performance as soon as possible.

7.25. GOVERNING LAW

The Contract shall be construed in accordance with the laws and regulations of the Federal Government, State of Maryland, and the City. For purposes of litigation involving the Contract, exclusive venue and jurisdiction shall be in the Circuit Court of Maryland for Montgomery County, District Court of Maryland for Montgomery County or the United States District Court of Maryland.

7.26. IMMIGRATION REFORM AND CONTROL ACT

The Contractor shall warrant that it does not and shall not hire, recruit or refer for a fee for employment under the Contract, an alien, knowing the alien is an unauthorized alien, and hire any individual without complying with the requirements of the Immigration Reform and Control Act of 1986 ("Act"), including but not limited to any verification and record keeping requirements. The Contractor shall further assure the City that, in accordance with the Act, it does not and will not discriminate against an individual with respect to hiring, or recruitment or referral for a fee, of the individual for employment or the discharging of the individual from employment because of such individual's national origin or in the case of a citizen or intending citizen, because of such individual's citizenship status.

7.27. INCONSISTENT PROVISIONS

Notwithstanding any provisions to the contrary in the terms and conditions of any contract supplied by the Contractor, the conditions of this Solicitation and the Contract supersede those terms and conditions in the event of inconsistency. In the event of any inconsistency between any of the provisions of this Solicitation and any of the provisions of the Contract, the provisions of the Contract shall take precedence over and supersede those provisions in the event of any inconsistency.

7.28. INDEMNIFICATION

- A. The Contractor shall agree to indemnify, hold harmless and defend the City from and against all claims, demands, actions, suits, damages, liabilities, losses, settlements, judgments, costs and expenses ("Claim") suffered or incurred by the City or any third party resulting from any negligent acts by or errors or omissions of the Contractor, its employees, agents or subcontractors in connection with the performance of the Contract, except that if the City reasonably determines that any indemnified Claim might adversely affect the City, the City may take control of the defense at the City's expense. The Contractor may not consent to the entry of any judgment or enter into any settlement of any Claim without the City's prior written consent, which may not be unreasonably withheld.
- B. In the event of litigation between the City and the Contractor arising under, related to, or in connection with the Contract, the prevailing party shall be entitled to recover reasonable attorneys' fees from the non-prevailing party at the arbitration, trial and/or appellate levels.

7.29. LAWS AND REGULATIONS

The Contractor shall comply with any and all applicable federal, state and local laws, codes and regulations with respect to the Services under the Contract.

7.30. NO LIENS

The Contractor shall have no title or interest in any of the goods delivered to the City under the Contract. In no event shall the Contractor encumber any such goods delivered to the City with any lien of any kind or offer such goods as collateral in any transaction whatsoever. The Contractor shall, upon completion of the Services, provide the City with a Release of Liens from any subcontractor or other supplier.

7.31. NO WAIVER

Except as otherwise specifically provided in the Contract, a waiver by either party to the Contract of any breach of any provision of the Contract, or either party's decision not to invoke or enforce any right under the Contract, shall not be deemed a waiver of any right or subsequent breach, and all provisions of the Contract shall remain in force.

7.32. NONEXCLUSIVE

Nothing in the Contract shall be deemed to act as a bar to the City's solicitation or purchasing of equipment, goods or services from any other company or entity.

7.33. NON-DISCRIMINATION REQUIREMENTS

- A. The Contractor acknowledges and agrees that during the term of the Contract it shall:
 - I. Not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era.
 - II. Take affirmative action to ensure that applicants and employees are treated without regard to their race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. Such action shall include but not be limited to the following: employment, upgrade, demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
 - III. In all solicitations for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, ancestry, sex, sexual orientation, national origin, affection preference, gender identity, genetic testing, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. The Contractor agrees to use clauses similar to those above in all contracts and subcontracts. In the event the Contractor fails to comply with the nondiscrimination clauses of the Contract, or fails to include such provisions in all contracts and subcontracts, as hereinabove provided, the Contract may at the

sole discretion of the City be declared void AB INITIO, canceled, terminated or suspended in whole or in part with waiver of any recourse by the Contractor against the City or its officials or employees, and the Contractor may be declared ineligible for further contracts with the City.

- B. Any employee, applicant for employment, or prospective employee with information concerning any breach of these requirements may communicate such information to City Manager who shall commence a prompt investigation of the alleged violation. Pursuant to such investigation, the Contractor shall permit access to their books, records and accounts. In the event the City Manager concludes, on the basis of such investigation, that the Contractor has failed to comply with these nondiscrimination clauses, the City Manager may invoke the remedies hereinabove set out.

7.34. OWNERSHIP OF MATERIALS

Unless otherwise agreed in writing by the City and the Contractor, any work, specifications, information, data, drawings, software and other items produced under the Contract, other than any Contractor Tool, is to be deemed a work-for-hire to the extent permitted by law, and, to the extent not so permitted, shall be assigned to, and shall become, the exclusive property of the City.

7.35. PATENTS

- A. Whenever any article, material, appliance, process composition, means or things called for by the specifications (“Materials”) under this Solicitation is covered by Letters of Patent, the Contractor shall secure, prior to using or employing such Materials, the assent in writing of the owner or licensee of such Letters of Patent and file the same with the City.
- B. The Contractor shall defend, at its own expense, and pay the cost and damages awarded in any action brought against the City based on an allegation that the Materials provided by the Contractor infringe on any patent, copyright, license or trade secret. In the event that an injunction shall be obtained against the City’s use of the Materials by reason of infringement of any patent, copyright, license or trade secret, the Contractor shall, at its own expense, procure for the City the right to continue using the Materials or replace or modify the same so that it becomes non-infringing.

7.36. INVOICES, PAYMENT TERMS AND TAXES

The City shall only pay original proper invoices issued in accordance with the following:

- A. Original invoices shall include at a minimum, the Contractor’s name, address, telephone and fax numbers, and if applicable, email address and corresponding purchase order number. Invoices shall be submitted to: City of Gaithersburg, Accounts Payable Division, 31 South Summit Avenue, Gaithersburg, Maryland 20877.
- B. The City’s standard terms of payment are net thirty (30) days; however, this does not preclude the Contractor from providing a prompt payment discount for the payment of invoices in less than thirty (30) days. Payments considered past-due may be subject to incurred interest not to exceed one percent (1%) per month.
- C. The City is exempt from sales and use taxes. The Contractor shall exclude such taxes from all forms of requests for payments issued to the City; the City shall not be liable for or pay or reimburse the Contractor for any such taxes.

7.37. RECORDS

The Contractor shall retain any and all records and documents relating to the Services under the Contract for a minimum of five (5) years following payment of the Contractor’s final undisputed proper invoice for the complete rendered Services. The Contractor shall make available to the City, State of Maryland and any and all appropriate Federal agencies, all records and documents with respect to any and all matters under the Contract at any time during normal business hours, as often as the City deems necessary, to audit, examine, and make copies, excerpts and/or transcripts of any and all relevant data. The Contractor shall include similar provisions in all subcontracts.

7.38. SUBCONTRACTORS

The Contractor acknowledges and agrees: that if it shall be necessary to hire or subcontract with competent personnel to fulfill its obligations under the Contract, it shall do so at its own expense; and to ensure that any and all work assigned to any subcontractor shall be performed in compliance with all of the terms and conditions of the Contract. Nothing contained in the Contract shall create any contractual relation between any subcontractor and the City.

7.39. SURVIVAL

The representations, warranties and indemnities contained herein shall survive the termination of the Contract.

7.40. TERMINATION

A. Termination for Cause

- I. If through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under the Contract, or if the Contractor violates any of the provisions of the Contract, the City may upon written notice to the Contractor, terminate the right of the Contractor to proceed under the Contract or with such part or parts of the Contract to which there has been default, and may hold the Contractor liable for any damages caused the City by reason of such default and termination, if the default is not corrected within 15 days' notice to cure. In addition, the Contract may be terminated for the bankruptcy, dissolution, assignment for the benefit of creditors, or other similar action of the Contractor.
- II. In the event of termination, any completed Services performed by the Contractor under the Contract shall, at the option of the City, become its property and the Contractor shall be entitled to receive equitable compensation for any work completed to the satisfaction of the City. The Contractor, however, shall not thereby be relieved of liability to the City for damages sustained by the City by reason of any breach of the Contract by the Contractor, and the City may withhold any payments to the Contractor for the purpose of setoff until such time as the amount of damages due the City from the Contractor is determined. The Contractor shall not be responsible for damages under this article solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the City from terminating the Contract for such delay.

B. Termination for Convenience

- I. The City may, upon written notice and without cause, terminate the Contract in whole or in part at any time for its convenience. In such instance, payment shall be made to the Contractor for the reasonable costs of the work performed through the date of termination. Termination costs do not include lost profits, consequential damages, delay damages, unabsorbed or under-absorbed overhead of the Contractor or its subcontractors or suppliers. Failure of the Contractor to include a termination for convenience clause into its subcontracts and material purchase orders shall not result in any liability to the City for lost profits in conjunction with a termination for convenience.
- II. The Contractor expressly waives any damages, delay damages, or indirect costs which may arise from the City's election to terminate the Contract in whole or in part for its convenience.

C. Termination for Non-Appropriation of Funds

The City shall not be obligated to the Contract for any future fiscal year until funds are appropriated for each such future fiscal year. In the event funding appropriation is not approved, the City may, upon written notice, terminate the Contract in whole or in part and without penalty or expense to the City. The effect of such action shall terminate the Contract on the last day of the fiscal year for which appropriations were made.

8. SPECIAL TERMS AND CONDITIONS

8.1. INSURANCE

- A. The Contractor shall at all times during the term of the Contract carry and maintain in full force and effect, at its expense, policies of insurance with minimum limits as follows:
 - I. Comprehensive commercial general liability insurance in an amount not less than One Million Dollars (\$1,000,000); and
 - II. Workers' compensation insurance for all non-City employees and workers employed by the Contractor, in an unlimited amount for worker's compensation insurance as required by Maryland law; and for employer's liability insurance, in an amount not less than One Million Dollars (\$1,000,000).
- B. The City shall be named as an additional insured under the comprehensive commercial general liability policy, and shall receive at least thirty (30) days written notice of any cancellation of that policy, such that any cancellation shall not be effective with respect to the City for thirty (30) days after such written notice is given.
- C. Prior to the execution of the Contract, the Contractor shall provide the City with a certificate of insurance, which shall: (i) evidence the above policies; (ii) name the City as additional insured with respect to the comprehensive commercial general liability insurance policy only; and (iii) contain a provision that requires the Contractor's insurers to provide the City with a written notice of any cancellation of the insurance and that such cancellation shall not be effective with respect to the City for thirty (30) days after such written notice is given.
- D. The Contractor shall also immediately notify the City in writing with a copy of any written notice from the Contractor's insurers of any cancellation or adverse material change in that policy. The Contractor acknowledges and agrees that its failure to provide the City with such notice, a certificate of insurance and/or the failure by the City to demand the delivery of said notice or insurance certificate shall not operate or be deemed to operate as a waiver of the notice, insurance and associated endorsements required under this provision, and the Contractor shall indemnify, defend and hold the City harmless from any liability arising as a result of any such failure(s).

8.2. PAYMENTS

Payment terms shall be negotiated and defined under the Contract.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
